

EXPORT EDGE TRAINING

International Trade

Blended Learning Course

(FETAC Certificate Award)

Export Edge Training have been at the leading edge in Education and Corporate Training in Ireland over the last 14 years. Based on demand from our clients, we are delighted to announce our Fetac certified distance based course covering International Trade & Finance developments within the dynamic Trade and Exporting Industry sectors.

Learning Methods

This blended learning course in International Trade is designed to enable learners to operate effectively in the export sector and understand the key issues affecting the industry without the necessity of commuting to attend classes. Using innovative blended learning techniques attendees receive an e-classroom learning environment, tutorial feedback and support from lecturers and fellow students throughout the course. Initial lecturer briefing and full revision workshop are provided.

Learning outcomes

- To learn about the export/import procedures for different markets and the fundamental aspects of International Methods of Payment.
- To appreciate the risks and range of factors that affect World Trade
- To become familiar with the different modes of transport available to an exporter
- To achieve practical experience of Export Contracts and Legal Documents in International Shipping and Trade Finance Payments.

Course Modules
