# *IMDG Dangerous Goods by Sea - Advanced Corporate Course*

**New responsibilities come into effect from January 2013**, from the International Maritime Association for those involved in consigning and transporting Dangerous Goods by sea. The new IMDG Code Amendment 36 -12, requires that general awareness / familiarisation training, function-specific training and safety training be given to relevant shoreside staff, whose duties concern the carriage of dangerous goods by sea.

Export Edge Training have designed this 2 day in-depth training course to meet the IMDG regulations for personnel engaged in the transport of dangerous goods by sea. This course is delivered by our experienced trainer, who is also highly qualified in IATA and ADR regulations.

## **COURSE BENEFIT ASSURANCE**

A detailed review of the Dangerous Goods by Sea regulations implications will take place with a pre-course questionnaire review followed by ongoing telephone support for the month following the course.

## **Course Content**

The International Maritime Dangerous Goods Code incorporating Amendment 36-12 & Irish Regulations for the movement of dangerous goods by sea.

- How to use Volumes I & II of the IMDG Code
- Functional Responsibilities
- Classification, Identification of Mixtures and Hazard Precedence
- Packaging Types & Marking
- Marking and Labelling
