

## **Finance Online Course (for Operations & Non-Financial Managers) (QQI / IICM AWARDS)**

Export Edge Training have been at the leading edge in International Trade & Finance Education and Corporate Courses in Ireland over the last 20 years

### **The Purpose of this module:**

This Finance Course is designed to provide Operations & Non-Financial personnel with knowledge and practical skills to achieve a professional appreciation of the key principles in finance and accounting.

Learners who successfully complete this course will:

- Understand financial jargon
- Develop an awareness of the key elements in good financial management
- Demonstrate their ability to read financial statements
- Be able to assess financial viability and performance
- Develop their appreciation of financial matters in business
- Appreciate the importance and the elements of financial control within an organisation
- Gain a practical knowledge of budgeting, forecasting and cash flow management

Students receive comprehensive tuition, including detailed Course Modules, plus tutorial assistance to complete Assignments and end of term Exam.

### **Topics covered include:**

- Understanding Financial Statements
- Budgeting and Cash flow Management
- Costing & Pricing
- Capital Budgeting

Assessment is based 50% on mid-term Assignment and end of term Examination 50%. Assignment will include financial statement analysis, calculating key ratios, commentary on financial performance and discussion of factors affecting financial performance. As part of our quality assurance process, student assignment work will be assessed by an Assessor, validated by a Internal Verifier and an independent QQI External Authenticator to complete the process.

- National Qualifications Authority (QQI)
- UK & Irish Exporters Associations.
- Irish Institute of Credit Management. (IICM)
- Institute of Leadership and Management (ILM, UK)
- International Chamber of Commerce (ICC Paris)
- Int'l Association of Trade Training Orgs (IATTO)
